

Apex University of Technology
Information Security Policy: Employee Acknowledgment Form
Reference Document: POL-01 (Staff Security Policy)

By signing below, I confirm that I have received, read, and understood the Apex University Staff Security Awareness Guide.

I agree to follow all the safety rules listed in the guide, including setting up my 10-minute automatic screen lock, using my phone security login codes, and double-checking financial invoice changes.

I understand that protecting university data and student privacy is part of my daily job responsibilities, and that intentionally breaking these rules can lead to disciplinary action or retraining.
